OTHER SUPPLIES

- Clipboard
- Business Card Holder
- Pencil
- Craft Knife
- Black Felt
- Hot Glue
- Adhesive

Clipboard

- Layer strips of Black with White Polka Dots Paper Tape vertically across the front of the clipboard. Use craft knife to trim to edge and around metal clip.
- Die cut bow shape from Box & Bows Die Set from black felt. Assemble and hot glue to front of metal clip.
- Add Arrows Paper Tabs to front of clipboard for easy access when using clipboard.

Hello Card

- Place largest die from Cards Die Set on Perfect Positioner. Insert arrow die shape from Arrows Die Set. Die cut out of Black/White chipboard. Fold card.
- Place strips of Mini Black & White Houndstooth Paper Tape above and below the arrow die cut shape. Wrap around to inside of card.
- Die cut hello shape from Handwritten Die Set in Black/White chipboard. Glue to front of card.

For You Tag

- Die cut largest tag shape from Tags Die Set out of Black/White chipboard.
- Die cut chevron shape from Arrows Die set out of Black chipboard. Glue to front of card.
- Die cut for you shape from Handwritten Die Set in Black chipboard. Glue to front of card.
- Tape pencil to front of tag with Black with Small White Polka Dots Paper Tape.

Tag Sets

- Place medium tag shape from Tags Die Set on Perfect Positioner. Insert arrows shape from Arrows Die Set. Die cut out of Black/White chipboard.
- Repeat with other arrow shape from Arrows Die Set and hi shape from Handwritten Die Set.
- Cut 6 inch length of Vintage twine and tie through tag hole.

Notes Holder

- Wrap Black with Small White Polka Dots Paper Tape around all surfaces of the business card holder.
- Trace front of business card holder on White chipboard. Cut to size. Die cut arrow shape from Arrows Die Set from cut chipboard. Glue to front of business card holder.
