- Add adhesive to all sides except the top.
- Glue two googly eyes to the front upper half of the box.
- Wrap Mummy Decorative Paper Tape randomly around the box, cutting edges where needed with scissors.
- Create a piece of "Tape Paper" by applying 3 rows of 6-inch Pink Foil Chevron specialty tape to white chipboard – each on top of the other - matching patterns.
- Die cut a Pink Foil Chevron bow and bow ribbon, using the Box & Bows Designer Die Set.
- Assemble the Pink Foil Chevron bow and ribbon, using a small brad.
- Affix the bow to the lid of the mummy wrapped box.
- Fill with your favorite treat. Share with your favorite "Mummies"!
- *Idea: Die cut a black chipboard box and a Halloween Stripe bowtie for Mr. Mummy!*
