- Punch 1 black and 2 white Diamond Squares.
- Add adhesive to the back of the 3 Diamond Squares and position them inside the Decorative Bordered Squares – white on green – black on orange – white on green. *Notice you can position the square to be a square or a diamond.*
- Add a Mini Sticker Embellishment inside each of the 3 squares. Notice that white Mini Sticker Embellishments show up better on black, as black Mini Sticker Embellishments show up better on white.

- Add doodle marks around the white squares and on each side of the Halloween Words Tape.
- *Idea: Refer to the photo to see how using the Square Designer Cutting Dies creates dimension and detail in the squares.*
