 Adhesive

THANK YOU TAPE CARD

- Cut a 5 x 7 inch rectangle from aqua cardstock.
- Slide locking button to open Lace Doily Edge Punch.
- Insert and center the 5-inch end of the aqua cardstock into the Lace Doily Edge Punch. Press to punch.
- *Tip: Make first punch at the midpoint of the 5-inch side – this will ensure that the design is centered.*
- Continue to align the punched portion atop the wing pattern and punch entire 5-inch side.
- Cut a 3 ¾ x 5 ½ rectangle of white cardstock.
- Create a Tape Wrapped Corner by tearing off a 2-inch piece of Thank You Pattern Tape. Position the tape diagonally on the first corner of the white cardstock rectangle. Wrap excess tape around to the back. Repeat for the other 3 corners. *What a fun, easy way to add color!*
- Cut a 5/8 x 6 inch strip of white cardstock. Apply Thank You Pattern Tape to the paper strip.
- Use Diamond Square Punch to create French Tail banner points on each end of the strip.
- Apply adhesive to the back of the Thank You rectangle and paper strip. Position on card.
- *Write a sentiment and a thank you note onto card front to brighten someone's day!*
