LITTLE B™ BASIC CARD

- Die cut a light blue cardstock card using the largest card die in the Card Designer Die set. Fold on score line.
- Tear off a 6-inch piece of Orange Foil Rainbow Bright Tape. Fold each end of the tape in half lengthwise, with the non-sticky sides together, and cut French tails with scissors.
- Center the strip of Orange Foil Rainbow Bright Tape horizontally just below the middle of the card front and wrap the ends of the tape around to the back. *The French tails make the inside of the card as pretty as the outside.*
- Use the Little B™ Circle Punch and punch an ivory cardstock circle.
- Use the Little B™ Scallop Circle Punch and punch an aqua cardstock scalloped circle.
- Apply adhesive to the back of the ivory circle and center on top of the aqua scalloped circle.
- Add dimensional adhesive to the back of the scalloped circle and position to the right, over the Orange Foil Rainbow Bright Tape.
- Add a Butterfly Mini Sticker Embellishment to the ivory circle.
- Remember: you can easily create this Little B™ Basic Card using any variety of Little B™ Decorative Tapes and Mini Sticker Embellishments. Brighten someone's day with a handwritten note!
