LITTLE B™ BASIC BIRTHDAY CARD

- Die cut a red cardstock card using the largest card die in the Card Designer Die set. Fold on score line.
- Tear off a 6-inch piece of Silver Foil Music Note Tape. Fold each end of the tape in half lengthwise, with the non-sticky sides together, and cut French tails with scissors.
- Place the strip of Silver Foil Music Note Tape horizontally just below the middle of the card front, and wrap the ends of the tape around to the back. *The French tails make the inside of the card as pretty as the outside.*
- Use the Little B™ Circle Punch and punch an ivory cardstock circle.
- Use the Little B™ Scallop Circle Punch and punch an aqua cardstock scalloped circle.
- Apply adhesive to the back of the ivory circle, and center it on top of the aqua scalloped circle.
- Add dimensional adhesive to the back of the scalloped circle, and position it to the right over the Silver Foil Music Note Tape.
- Add a Cupcake Mini Sticker Embellishment to the ivory circle or write Happy Birthday.
- *Brighten someone's day with a handwritten birthday greeting!*
