POPPY FLOWER GIFT BOX

- Bend ½ inch of wire to create a hook on the end of the wire stem.
- Find the black Poppy center strip.
- Remove the release paper from the back of the black Poppy center strip.
- Hook the wire stem on the end of the black Poppy center strip.
- Twist and roll the Poppy center strip with the adhesive facing the wire stem.
- Find the red Poppy Petal Strips.
- Remove the release paper from the back of the first red Poppy Petal Strip.
- Attach the end to the black Poppy center you just created.
- Twist and roll up the red Poppy Petal Strip.
- *Note: Create creases in the Poppy Petal Strips to add flower dimension as you twist and roll up the Poppy Petal Strips.*

POPPY FLOWER GIFT BOX cont.

- Increase the size of the Poppy by adding extra strips of Poppy Petal Strips.
- Add a few adhesive-backed leaves to your Poppy flower.
- Fluff the center, the Poppy petals and the leaves to create a beautiful Poppy Flower.
- Wrap the wire stem a few times around the top of the alligator clip.
- Wind the end of the wire stem around a small dowel to create a spiral stem.
- Cut off excess wire stem and save to use for your next Paper Flower. Set Poppy aside.
- Wrap twine around a small gift box.
- Clip the Poppy Flower alligator clip to the twine on top of box.
- *Note: There are 12 Petal Strip Kits available in a variety of flower styles and colors! Enjoy creating Simple, Fast and Beautiful Little B Paper Flowers!*
