HOW TO MAKE A LITTLE B™ PULL FLOWER

- Unroll the Pull Flower fabric strip and cut to the desired length. The longer you make the strip, the fuller your flower will be. (18 inches was used for the flowers pictured here.)
- Fold the Pull Flower strip in half.
- Pull the two strings to gather the fabric strip into a fast, simple and beautiful flower.
- Tie the strings with one or two square knots to secure.
- Tie the first Pull Flower over the thin wire tie with a couple of square knots. Trim off any excess string.
- Create a second Pull Flower out of the same color Pull Flower fabric. Tie the second Pull Flower on the opposite side of the first Pull Flower with a couple of square knots. Trim off any excess string.
- Cut off the excess bag tops so that they do not show.
- Fluff the Pull Flower petals for a beautiful Flower bag topper.
- Tip: Repeat the above instructions to create a variety of Little B™ Pull Flower Treat Boxes for fast, simple and colorful Party Favors and Gifts.
